

How this scheme of work links to school vision and values (wellbeing, independence, communication, achievement):

Students will read for information through a range of material.

Students will plan, draft, edit and proof-read their own writing to reflect the purpose for which it was intended.

Students will consolidate and build on their knowledge of grammar and vocabulary through reading Standard English, using it confidently in their own writing and speech.

	Topic	Learning Objectives	Tasks	Assessed LO
W1	Read and understand texts: finding information Finding the right information and planning how to respond.	To know the importance of skimming and scanning texts for key information.	Class discuss situations when not having the right information at hand has caused them problems. BBC Bitesize	Multiple choice assessment.
