

How this scheme of work links to school vision and values (wellbeing, independence, communication, achievement):

	Topic	Learning Objectives	Tasks	Assessed LO
W1	Numbers: Place Value and the Number System Money	<p>Whole Class: LI: To be able to recognise the value of all coins and notes.</p> <p>EL1 – To be able to recognise coins and notes and write them in numbers with the correct symbols (£ & p), where these involve numbers up to 20.</p> <p>EL2 – To be able to calculate money with pence up to one pound and in whole pounds of multiple items and write with the correct symbols (£ or p).</p> <p>EL3 – To be able to calculate with money using decimal notation and express money correctly in writing in pounds and pence.</p> <p>Level 1 – To be able to convert between units of length, weight, capacity, money and time, in the same system.</p> <p>Level 2 + - To be able to calculate amounts of money, compound interest, percentage increases, decreases and discounts including tax and simple budgeting.</p>	<ul style="list-style-type: none"> • Interactive whiteboard games • Create money rubbings of coins • Practice exam questions (specific to LS/exam) • Recap quiz at the end of the week <p>Resources:</p> <ul style="list-style-type: none"> • Powerpoints • Worksheets • Coins, coloured pencils and paper • Quiz • Practice exam questions 	
W2	Numbers: Place Value and the Number System Money	<p>Whole Class: LI: To be able to recognise and write amounts of money in numbers.</p> <p>EL1 – To be able to recognise coins and notes and write them in numbers with the correct symbols (£ & p), where these involve numbers up to 20.</p>	<ul style="list-style-type: none"> • Coin and note sorting (draw grid in book & cut and stick coins) • Worksheets writing amounts in numbers • Practice exam questions (specific to LS/exam) 	

		<p>EL2 – To be able to calculate money with pence up to one pound and in whole pounds of multiple items and write with the correct symbols (£ or p).</p> <p>EL3 – To be able to calculate with money using decimal notation and express money correctly in writing in pounds and pence.</p> <p>Level 1 – To be able to convert between units of length, weight, capacity, money and time, in the same system.</p> <p>Level 2 + - To be able to calculate amounts of money, compound interest, percentage increases, decreases and discounts including tax and simple budgeting.</p>	<ul style="list-style-type: none"> • Recap quiz at the end of the week <p>Resources:</p> <ul style="list-style-type: none"> • Powerpoints • Sorting activity • Worksheets • Quiz • Practice exam questions 	
W3	<p>Numbers: Place Value and the Number System Money</p>	<p>Whole Class: LI: To be able to add and subtract given amounts of money.</p> <p>EL1 – To be able to recognise coins and notes and write them in numbers with the correct symbols (£ & p), where these involve numbers up to 20.</p> <p>EL2 – To be able to calculate money with pence up to one pound and in whole pounds of multiple items and write with the correct symbols (£ or p).</p> <p>EL3 – To be able to calculate with money using decimal notation and express money correctly in writing in pounds and pence.</p> <p>Level 1 – To be able to convert between units of length, weight, capacity, money and time, in the same system.</p>	<ul style="list-style-type: none"> • Scavenger hunt of coins and notes around the classroom (who can get the most money) • Buys Christmas presents with given amount (make word document) • Practice exam questions (specific to LS/exam) • Recap quiz at the end of the week <p>Resources:</p> <ul style="list-style-type: none"> • Powerpoints • Coins • ICT suite booking • Quiz • Practice exam questions 	

		Level 2 + - To be able to calculate amounts of money, compound interest, percentage increases, decreases and discounts including tax and simple budgeting.		
W4	Numbers: Place Value and the Number System Money	<p>Whole Class: LI: To be able to problem solve using money.</p> <p>EL1 – To be able to recognise coins and notes and write them in numbers with the correct symbols (£ & p), where these involve numbers up to 20.</p> <p>EL2 – To be able to calculate money with pence up to one pound and in whole pounds of multiple items and write with the correct symbols (£ or p).</p> <p>EL3 – To be able to calculate with money using decimal notation and express money correctly in writing in pounds and pence.</p> <p>Level 1 – To be able to convert between units of length, weight, capacity, money and time, in the same system.</p> <p>Level 2 + - To be able to calculate amounts of money, compound interest, percentage increases, decreases and discounts including tax and simple budgeting.</p>	<ul style="list-style-type: none"> • Christmas themed money problem solving worksheets • Purple pen worksheets and correct problems/continue work • Practice exam questions (specific to LS/exam) • Recap quiz at the end of the week <p>Resources:</p> <ul style="list-style-type: none"> • Powerpoints • Worksheets • Quiz • Practice exam questions 	
W5	Numbers: Place Value and the Number System Money	<p>Whole Class: LI: To be able to identify how money is used in the real world.</p> <p>EL1 – To be able to recognise coins and notes and write them in numbers with the correct symbols (£ & p), where these involve numbers up to 20.</p> <p>EL2 – To be able to calculate money with pence up to one pound and in whole pounds of multiple items and write with the correct symbols (£ or p).</p>	<p>Money in the ‘real world’</p> <ul style="list-style-type: none"> • Poster about money in the real world – jobs, how it is used, budgeting etc. • Listen to a speaker talk about job e.g. in bank • Practice exam questions (specific to LS/exam) • Recap quiz at the end of the week 	Potential outside speaker

		<p>EL3 – To be able to calculate with money using decimal notation and express money correctly in writing in pounds and pence.</p> <p>Level 1 – To be able to convert between units of length, weight, capacity, money and time, in the same system.</p> <p>Level 2 + - To be able to calculate amounts of money, compound interest, percentage increases, decreases and discounts including tax and simple budgeting.</p>	<p>Resources:</p> <ul style="list-style-type: none"> • Powerpoints • Blank paper for poster • Potential speaker booked or video • Coins, coloured pencils and paper • Quiz • Practice exam questions 	
<p>W6</p>	<p>Numbers: Place Value and the Number System Money</p>	<p>Whole Class: LI: To be able to identify how money is used in a large company.</p> <p>EL1 – To be able to recognise coins and notes and write them in numbers with the correct symbols (£ & p), where these involve numbers up to 20.</p> <p>EL2 – To be able to calculate money with pence up to one pound and in whole pounds of multiple items and write with the correct symbols (£ or p).</p> <p>EL3 – To be able to calculate with money using decimal notation and express money correctly in writing in pounds and pence.</p> <p>Level 1 – To be able to convert between units of length, weight, capacity, money and time, in the same system.</p> <p>Level 2 + - To be able to calculate amounts of money, compound interest, percentage increases, decreases and discounts including tax and simple budgeting.</p>	<ul style="list-style-type: none"> • Research a popular company e.g. McDonalds, Coca-Cola etc. - how much money they make, tax they pay etc, charges for their products. • Stalls selling these product – each take turns to visit stalls. • Purple pen work • Recap quiz at the end of the week <p>Resources:</p> <ul style="list-style-type: none"> • Powerpoints • ICT suite booking • Coins, notes and stalls • Quiz • Practice exam questions 	

W7	Numbers: Place Value and the Number System Money	<p>Whole Class: LI: To consolidate our learning on money.</p> <p>EL1 – To be able to recognise coins and notes and write them in numbers with the correct symbols (£ & p), where these involve numbers up to 20.</p> <p>EL2 – To be able to calculate money with pence up to one pound and in whole pounds of multiple items and write with the correct symbols (£ or p).</p> <p>EL3 – To be able to calculate with money using decimal notation and express money correctly in writing in pounds and pence.</p> <p>Level 1 – To be able to convert between units of length, weight, capacity, money and time, in the same system.</p> <p>Level 2 + - To be able to calculate amounts of money, compound interest, percentage increases, decreases and discounts including tax and simple budgeting.</p>	<ul style="list-style-type: none"> • Variety of different worksheets (re-do baseline assessment to look for progress) • End of term fun worksheets/kahoot • Practice exam questions (specific to LS/exam) • Recap quiz at the end of the week <p>Resources:</p> <ul style="list-style-type: none"> • Powerpoints • Worksheets • Kahoot • Quiz • Practice exam questions
