# Community Use Policy

## INTRODUCTION

Orchard Hill College and Academy Trust (OHC&AT) is a family of specialist providers, working together for mutual benefit. OHC&AT is committed to providing outstanding educational opportunities for all our pupils, students and apprentices.

Part of this commitment is providing a range of excellent facilities that are primarily resourced for our pupils and students. As a community-focused organisation, OHC&AT recognises that where it is practical, appropriate and reasonable to do so, these facilities may be made available for use by the local community or by organisations that support and contribute to the ethos of the organisation. OHC&AT has a significant part to play in the local communities we serve, and there are many potential educational, economic and broader community benefits that flow from partnerships based around sharing our facilities.

When considering applications for use of our facilities, we will ensure that new partnerships will:

- a. Meet an identified need in the community;*
- b. Offer benefit to both the school/College and the community;*
- c. Make the most of the school/College and community resources;*
- d. Strengthen relationships between OHC&AT and the local community.*

## Management Responsibilities

The OHC&AT Board of Directors and the Executive Senior Leadership Team (ESLT) holds responsibility for the hire or free use of OHC&AT premises, facilities or resources, subject to statutory requirements and safeguarding arrangements. The management of this function is normally delegated to the Principal as part of the day to day management of the school/College and its finances.

All applications are subject to the availability of OHC&AT staff to fulfil essential Building Supervisory duties as part of the Lettings Agreement.

## Pricing Policy

The OHC&AT Board of Directors has agreed to apply charges and these are reviewed regularly. Prices are available from the school/College office.

In the event of the school/College cancelling a letting, no fee will be payable. In the event of the hirer cancelling a letting, no fee will be charged, unless the school/College has incurred any financial cost for the letting.

In general, the letting of rooms for non-sporting activities is exempt of VAT whereas sports lettings are subject to VAT (although there are exemptions under certain circumstances).

## **Safeguarding**

When services or activities are provided by an OHC&AT provision under the direct supervision or management of school/College staff, that provision's safeguarding arrangements for child protection will apply. However, where services or activities are provided separately by another organisation this is not necessarily the case. The school or College will therefore seek assurance that the hiring organisation has appropriate safeguarding and child protection policies and procedures in place (including inspecting these as needed), as well as ensuring that there are arrangements in place to liaise with the school or College on these matters where appropriate. Failure to comply with these arrangements will lead to termination of the hire agreement.

## **Health and Safety**

The Principal of the school or College, in conjunction with OHC&AT's Health and Safety Officer where necessary, will ensure that all aspects of Health and Safety are considered in relation to any proposed activity while the hiring body is responsible for ensuring that all health and safety requirements and recommendations are met and that suitably qualified people take responsibility.

## **Conditions of Use of Facilities**

The hirer will need to complete the Form in Appendix A, and must take full account of the associated Terms & Conditions.

The hiring individual or group shall inspect the facility upon arrival and report any damage or loss to the Site Manager or Principal.

Apparatus, furniture or equipment belonging to the school can only be used with advance permission from the Principal and for its appropriate purpose. Any damage or loss incurred during the period of hire must be reported to the Site Manager or Principal at the end of the session. The hiring individual / group will be financially liable for repair or replacement.

Excessive noise and local disturbance must not create a nuisance for local residents.

The use of tobacco, vapour e-cigarettes, alcohol and illegal drugs is prohibited throughout the grounds and inside all buildings.

The hirer has responsibility to leave the premises in the same condition it was on arrival.

The hirer has full responsibility for the supervision of the premises, for the conduct of those attending, and for child protection (if relevant).

Any hirer who is using school/College premises for commercial/personal gain should have their own public liability insurance.

Any hirer who is using school/College premises should ensure all necessary equipment / resources are prepared and provided unless prior arrangement has been made with the school/College in relation to additional charges which it may incur, e.g. photocopying etc.

The parking of vehicles on school/College property is permitted in approved areas only on condition that persons bringing vehicles do so at the owner's risk. Drivers will be held responsible for damage to school/College property or injury to any person while their vehicle is on school/College premises.

It is anticipated that the school/College will organise a number of evening events throughout the year. Every effort will be made to inform users of these dates and any changes that may be necessary as soon as possible. However, OHC&AT stipulates as a prerequisite of hire the understanding that school/College events will take precedence over those organised by outside hiring bodies or individuals.
